DETAILED ACTION

Acknowledgement

1. Receipt is acknowledged of the Amendments to the Claims and the Remarks, filed 04 February 2005. Claims 1 – 11 and 13 – 26 remain pending in this Application.

Allowable Subject Matter

2. Claims 1 – 11 and 13 – 26 are allowed.
3. The following is an examiner's statement of reasons for allowance: none of the references of record teach, or suggest, the method of specifying sub-networks that comprise: defining graphs, each graph containing a set of nodes; for each graph specifying two or more sets of node functions wherein each set of node functions includes one node function for each node, and the combination of the graph with one of the node functions specified for the graph specifies a sub-network; storing the graph and sets of node functions for each graph; and for each specified sub-network storing an identifier that specifies the node functions and the graph that specifies the sub-network. Furthermore, none of the references of record teach the method that further

include using two identifiers for specifying two sub-networks and two sets of node functions as well as the graph.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
